## Murmel Games 2012

### MURMEL – playing with more fun

Murmel is a small dedicated team which is inventing, editing and selling games. Our games typically have creative ideas, intriguing themes and high-quality materials. Besides the games we are editing ourselves we sell a selection of other games by small Swiss game editors in Germany, Europe and overseas.

Other Murmel games:

## Chemix

\*\*\*new!\*\*\*

The abstract world of chemical elements and compounds becomes alive and exciting. You'll be surprised how much you learn just by playing and having fun.

For 2-4 Players ages 10 and up, G MU520

## Caminos

New 3D strategy game invented by award-winning RUMIS author Stefan Kögl - yet another fascinating game with wooden stones for 2 or 4 players with very simple rules and tactical depth. E/G/F//NL/ES/P

MU480

Suisse Toy Award 2011

## Arktia

On the Ice-moon Arktia players try to place and move their futuristic habitation and science modules - called moogloos. Moogloos which are separated from the main group are lost immediately. A warming of the climate step by step reduces the game board...

For 2-4 players ages 12 and up, E/G/F MU460

Games Magazine: Best abstract strategy game 2009 runner-up

## ZooZoom

Animal eyes will tell you stories, they are expressive, strange and beautiful... Which pair of eyes belong to which animal?

A new memory game for all ages, E/G/F// NX02

## Haselwurz und Bärenklau

What's whizzing along the hedgerow? ....another pixie? The pixies seem to be on a discovery journey again seeking rare plants and animals. The aim in this thrilling competition for sought-after rarities is to collect as many points on the discovery cards as possible...

For 2 to 4 players ages 8 and up, E/G/F MU420

## Enix

Plunge yourself into the fabulous world of renewable energies, use the energy points wisely to increase your energy score. But beware of the goblin ENIX because a victory close at hand may disappear straight into the next blackout.

For 2 to 6 persons for 8 years and up MU400

## Borders of the World

\*\*\*new!\*\*\*

A unique worldwide selection of 32 walls and borders. Great pictures and details plus extra informations.

For 2 to 4 players ages 12 and up, E/G X040

## Nature Detective

Fascinating game with 80 cards of native animals and their traces of nutrition. Various different playing possibilities. For 2 and more children beginning with the age of three. E/G/F//S

MU120

## Tumicarona

A challenging strategy game with a wonderful wooden game board with origin from Madagascar.

For 2 players ages 8 and up, E/G/F MU500

## Grosse kleine Welt

\*\*\*new!\*\*\*

Global trade and WTO: in this challenging game even the poorest nations have a real chance to win!
